- They are a really big, mean, poopy pants who should be banned from the internet forever or at least until they learn that I am right and superior and they are wrong and should bow down and worship me now.
- They deserve to be hunted down like a dog and shot dead on their own front porch.
- They and their ilk deserve to be rounded up and herded into concentration camps.
- There should be laws to punish people like that.
- They should be kicked out of America because we're the home of the free and we just DON'T do shit like that here.
- They should be just as accountable for their actions online as they are in the real world.
- (I should) have access to all their personal information so I can stalk them online.
- All of the above.

DID YOU TAKE ANY ACTIONS YOURSELF REGARDING THE BUTTHURT?

(Check all that apply)

- I wrote a six thousand word essay-like response (riddled with grammar and spelling mistakes) detailing the extent of my butthurt and emailed it to them or posted it in their (blog) comments.
- I sent an incoherent flame to them from a dummy account.
- I used a spam program to send them multiple flame emails.
- I organized a DDoS attack on their server/website.
- I got all my 'bestest' friends together and organized a flamewar.
- I created new accounts for the specific purpose of flaming the person.
- I posted this person's RL information everyone I could think of; they'll get a Molotov cocktail though their bedroom window sooner or later, and that'll teach 'em to mess with me.
- I realized that arguing on the internet is usually pointless and found something else to do with my time.
